

Linen Street Long Stay multi-story car park is within easy reach of Eternal bride, and by far the best place to park on a Saturday. Directions to this particular car park are therefore included below, although several other car parks are also available.

Directions & Parking

Exit the A46 at A425/ Warwick Parkway junction.
 Take the A425 at the roundabout, signposted Warwick.
 At the next roundabout go straight over (where you can only go left or straight over).
 Carry on through the traffic lights etc until the next roundabout. Turn right here (2nd exit) into Theatre Street.
 Go over the traffic lights then start to look for Linen Street multi storey car park on your right. As you come over the brow of hill you can see it. Turn right before it, into LINEN STREET. Turn immediately left to enter the multi storey.

Once parked exit via the stairs onto main road. Go straight across the pedestrian crossing (facing the Hot Tubs shop). Go to the right of this shop then turn left (so you are facing Boots the Chemist and other shops). Walk straight up this road, past WH Smith and Woolworths. At the corner turn right. This is Market Place. Eternal Bride is further up on the right - No 70, just before the next corner
